Digital Jobs Partnership

HOW TO GET TO 5000 NEW JOBS IN THE NEXT 3 YEARS!!!

Systems Change Objectives

The 4 Objectives of the Partnership that we believe will bring the change

1. Build a great supply

Build an inclusive, scalable and reliable method to find people with potential for digital jobs

2. Change Hiring

Change how organisations hire digital roles

3. Change Pathways

Develop new inclusive, accelerated but trusted pathways and credentialing to digital jobs in the market

4. Fund

Unlock financing and funding mechanisms to ensure the proliferation of these new pathways
